Why Zaltix HRMS

One platform to run your entire business

ZALTIX SOFT SOLUTIONS

Zaltix HRMS is a modern business management platform that combines HR, CRM, accounting, recruitment, and automation into a single unified system — designed to simplify operations, improve employee productivity, and deliver real-time insights to management.

KEY REASONS TO CHOOSE ZALTIX

Manage Employees

Full employee directory with attendance, leave, and department management in one place.

Track Sales & Revenue

Complete CRM pipeline from lead generation through deal closure and reporting.

Monitor Finances

Real-time P&L, balance sheets, cash flow, invoices, and bank statement analysis.

Automate Workflows

Intelligent automation for tasks, follow-ups, attendance alerts, and payroll runs.

Real-Time Insights

CEO dashboard with live KPIs, revenue trends, and instant performance indicators.

Scale Efficiently

A system that grows with your team, revenue, and market expansion requirements.

ALL MODULES AT A GLANCE

Team productivity at a glance

- Task creation, assignment & deadlines
- Priority indicators
- Progress monitoring dashboards
- Work performance insights
- Manager team productivity overview

Automation & Access Control

Smart workflows · Secure role-based access

ZALTIX SOFT SOLUTIONS

SMART AUTOMATION

Zaltix HRMS continuously monitors business activity and surfaces intelligent alerts so your teams stay ahead of every deadline — without manual oversight.

Pending Task Alerts

Automatic reminders for overdue and upcoming tasks across every team and department.

Lead Follow-Up Tracking

Never miss a follow-up — intelligent CRM reminders keep the sales pipeline moving.

Attendance Monitoring

Automatically flags unusual attendance behaviour for HR team review and action.

Sales Performance Watch

Real-time alerts when sales activity or conversion rates drop below set targets.

ROLE-BASED ACCESS CONTROL

Each user sees only the modules and data relevant to their role — keeping information secure and workflows clean.

- ADMIN / CEO
- HR
- SALES
- ACCOUNTING
- EMPLOYEE

Benefits & Ideal For

What you gain · Who it's built for

ZALTIX SOFT SOLUTIONS

PLATFORM BENEFITS

All-in-One Platform

HR, sales, and finance from a single login — no more tool-switching or data silos.

Less Manual Work

Automated workflows eliminate repetitive administrative tasks across every team.

Team Productivity

Task management and smart automation keep every employee focused and on track.

Real-Time Insights

Live dashboards give leadership the data they need exactly when they need it.

Routine Automation

Payroll, follow-ups, alerts, and more run automatically without intervention.

Scale Efficiently

Built to scale with your headcount, revenue growth, and market expansion.

IDEAL FOR

- IT Companies
- Startups & Growing Businesses
- Digital Agencies
- Sales-Driven Organisations
- Service Companies
- Scale-ups
